

Fascination Entertainment Group

Employee Safety Training

# Our Top Priority

---

***At Fascination Entertainment Group, guest and employee safety is our top priority. Staff must report all accidents, no matter how minor, so that trained safety and security personnel can properly document and officially report any and all incidents.***

# Spring Season

---

- ▶ Implementation of new safety guidelines
- ▶ Installation of new signage throughout the parks
  - ❖ Ride entrances
  - ❖ Visitor center
  - ❖ Rest areas
- ▶ Completion of staff training in new safety guidelines and basic first aid training

# Injury Prevention—Protect Yourself

---

1. Stay well hydrated
2. Choose water over soft drinks or juices
3. Drink whenever you are thirsty
4. Apply sunscreen throughout the day
5. Wear your uniform hat or visor
6. Wear comfortable, supportive shoes

# Injury Prevention—Protect Guests

---

- ▶ Complete scheduled equipment checks
- ▶ Enforce boarding restrictions for all rides
- ▶ Verify height requirements for young children
- ▶ Check every seatbelt and harness
- ▶ Assist guests to understand regulations
- ▶ Refer questions to your supervisor

If Safety is Questionable

At Fascination  
Entertainment Group

Safety is Our Top Priority
